

Code G1. Referral, Coordination and Monitoring Of Medicaid Services (Continued)

Additional Examples:

- **Participating (but Not Billing) in Treatment Team Meetings** to Coordinate and Monitor the Medical Portion of a Client's Plan of Care With Other Staff;
- Helping Individuals and Their Families Use Medical, Mental Health, or Substance Abuse Resources to Obtain Health Services;
- Informing and Explaining the Clients Treatment Plan to Pertinent Individuals, Such as Family or Staff;
- Providing Crisis or Hot-line Services for Health/mental Health Care Services (*Note: For Direct Therapeutic Services, Code A*); and
- Assuring That Health Problems Are Diagnosed and Treated Early, Before They Become More Serious and the Consequent Treatment More Costly to Medicaid.
