

# Correct Time Study Example

The screenshot shows a web form for time study. It has three main sections: 'Time' with a dropdown menu showing 'HOUR 12 - 45 min', 'Activity Code' with a dropdown menu showing 'O: Non-Paid Time', and 'Description' with a text area containing 'Work shift completed - Code O'. A blue 'Save' button with a floppy disk icon is located at the bottom right of the form and is highlighted with a red rectangular border.

After each increment/day is complete, be sure to click the 'Save' button to save your response.

Doing so will save your response in case you need to come back and complete the time study for a particular day.
